## YOUR HUNT FOR THE BEST MENSWEAR FASHION ENDS HERE

This year marks the 4th annual SA Fashion Week Menswear Pop Up. Once again, Brooklyn Mall, situated in one of Pretoria's most affluent suburbs is opening their doors for the top menswear labels in South Africa. For three days only, fashion lovers will be able to buy incredible fashion directly from the top designers. They will be able to connect, interact and walk away with exclusive, one of a kind items that are not available in stores.

Thirty designers will be on site to talk fashion, answer questions and interact with the media, their clients and fashionistas.

The SAFW Menswear Pop Up Shop in Brooklyn Mall is all about quality design at competitive prices, a once off, three-day experience not to be missed.

Expect the latest fashion, footwear, and accessories from designers such as Butan, E.G. jewellery, Bayanda Khathini, De Mil, Dirty Lolli, Magents, and many more all under one roof at the Queenspark Court from 28 – 30 June.

After all, there's shopping and then there's the SA Fashion Week Menswear Pop Up.
